Molto moderato (tenderly)

My day in the hills has come to an end, I  
know. A star has come out to tell me it's time to go But  
deep in the dark green shadows are voices that urge me to  
sty. So I pause and I wait and I lis - ten for one more sound, For  
One more love - ly thing that the hills might say.

years. The hills fill my heart with the sound of

31     

mu - sic My heart wants to sing ev - 'ry song it

35   

hears. My heart wants to beat like the wings of the

38    

birds that rise from the lake to the trees. My

41     

heart wants to sigh like a chime that flies from a Church on a

44     

breeze, To laugh like a brook when it trips and falls o - ver

stones on its way, To sing through the night like a

51     

lark who is learn - ing to pray. I go to the hills

54 When my heart is lone ly. I

57 know I will hear what I've heard be - fore.

60 - My heart will be blessed with the sound of

63 Mu - sic And I'll sing once

67 more. The more.
